

Siskus Jackpot Privacy and Security Policy

At Siskus Jackpot, we understand the importance of your privacy and are committed to protecting the confidentiality and security of your personal information. This Privacy and Security Policy outlines our practices concerning the collection, use, and safeguarding of your information when you use our services.

1. Information We Collect:

- a. **Personal Information:** We may collect personally identifiable information such as your name, contact details, and payment information when you register an account or engage with our services.
- b. **Usage Information:** We gather non-personal information about how you interact with our website, applications, and games. This may include device information, IP addresses, and browsing patterns.

2. How We Use Your Information:

- a. **Service Delivery:** We use your personal information to provide you with our lottery and gaming services, process transactions, and deliver customer support.
- b. **Improving User Experience:** Non-personal information is utilized to enhance our services, customize content, and improve the overall user experience.

3. Information Sharing:

- a. **Third Parties:** We may share your information with trusted third parties, such as payment processors or service providers, only to the extent necessary for the operation of our services.
- b. **Legal Compliance:** We may disclose your information to comply with legal obligations or respond to government requests.

4. Security Measures:

- a. **Encryption:** We employ industry-standard encryption protocols to protect your data during transmission.
- b. **Access Controls:** Strict access controls are implemented to ensure that only authorized personnel have access to your personal information.
- c. **Regular Audits:** We conduct regular security audits to identify and address potential vulnerabilities in our systems.

5. User Controls:

- a. **Account Settings:** You have control over your account settings, allowing you to update or delete your personal information.
- b. **Communication Preferences:** You can manage your communication preferences to control the type and frequency of messages you receive from us.

6. Children's Privacy:

Our services are intended for users who are 18 years or older. We do not knowingly collect or solicit personal information from individuals under the age of 18.

7. Changes to the Privacy and Security Policy:

We reserve the right to update this policy periodically. Any changes will be communicated through our website, and your continued use of our services implies acceptance of these changes.
